Key facts

- The ACT Government is responsible for mowing more than 5000 hectares (equivalent to 5,000 football fields) of irrigated and non-irrigated grass in urban open space and at the urban edge.
- The ACT Government has a base mowing fleet of 78 mowers, comprising 54 internal and 24 contract mowers. 29 of the government owned mowers have recently been replaced with new leased mowers. Additional contract mowers are also employed through-out the mowing season.
- The ACT Government's Fire Management Unit is monitoring fuel loads across the Territory and prioritising work accordingly. Programmed works include hazard reduction burns, mowing, slashing and even grazing to reduce fuel loads.
- Public safety with fire fuel reduction and line of sight along roads remains a priority.
- Residents are reminded that they are responsible for mowing the nature strip that adjoins their property.
- The ACT Government appreciates people's patience while the mowing program takes place.

For the latest details of the mowing program people can review the mowing programs on Territory and Municipal Services website at <http://www.tams.act.gov.au/> or contact Canberra Connect on 13 22 81.
