## **BURST WATER MAIN ROAD CLOSURE**

Territory and Municipal Services wishes to advise motorists that the Adelaide Avenue up ramp to Kent St in Deakin was closed this afternoon due to a burst water main.

Motorists are advised that for:

- access to Deakin or Yarralumla, the Hopetoun Circuit exit can be used; and
- access to the Deakin professional areas, including John James Hospital, the Carruthers St exit can be used.

Territory and Municipal Services is working to rectify this problem as quickly as possible, but at this stage it is unknown how long the road and water main repairs will take.

Message boards and diversional signs are in place.
