WOODS RESERVE REOPENED

Territory and Municipal Services wishes to advise the community that Woods Reserve on the Corin Dam road has been reopened. Woods Reserve was recently closed due to large numbers of European wasps.

“The camping ground and picnic area has been reopened to the public however the gas barbeques will remain turned off until further notice,” said Ms Jenny Conolly, Pest and Weeds Officer for Territory and Municipal Services (TAMS).

After extensive work to reduce numbers of European wasps at Woods Reserve, it is now safe for the community to access this area.
