ROAD RESURFACING WORKS – DAILY REPORT

The ACT Government wishes to advise residents, motorists and other road users that resurfacing works will be carried out on the following roads (weather permitting):

Friday 20 January 2012

Street	Location
Various streets in Holder	Holder

In addition, line-marking work will be undertaken on the following roads:

Friday 20 January 2012 – Line-marking

Street	Location
Hindmarsh Drive and Athllon Drive	South Canberra and Woden

Short delays can be expected at these locations while work is in progress.

Motorists should consider using alternative routes to avoid these roads and possible delays.

Motorists are also advised to reduce speed when traveling over recently resurfaced roads.

The ACT Government apologises for any inconvenience caused.
