

To Whom It May Concern:

Colour in Canberra - General Information

What you need to know:

1. **Design:** We require a design or concept drawing, showing the proposed mural to be painted. A colour plan is required and approval nearby business' and or residents will be arranged by the Graffiti Program Coordinator.
2. **Site:** The applicant shall select a traffic control box that doesn't already contain artwork. Those wishing to paint a larger electricity boxes may be eligible for paint and material cost recovery by ActewAGL at one third of the total price
- 3.
4. **Timing:** We will need an indication of what days you would like to paint, so that we can make the necessary safety arrangements.
5. **Agreement:** Please read and sign the attached agreement
6. **Insurance:** The Colour in Canberra Sign on / Sign off Attendance sheet (Attached) must be filled in, on the days of painting.
7. **Instructions:** Please follow instructions given by the graffiti coordinator, in the interest of safety. If instructed safety vests must be worn, if aerosol painting, a face respirator must be worn correctly during painting and all other additional instructions adhered to.
