

**MULLIGANS FLAT SANCTUARY AND NATURE RESERVE**  
**Board of Management**

**Terms of Reference**

- Oversee, guide and support strategic development of the Sanctuary and its programs, including implementing a Management Plan and Annual Operation and Works Programs that are designed to achieve the Vision and Objectives outlined in the Management Plan.
- Foster a spirit of partnership with Parks, Conservation and Lands and other stakeholders (including local community groups, business, ACT Government agencies) in delivering programs for the Woodland Sanctuary and Nature Reserve
- Provide direction, expert advice and support to the Executive Manager of the Woodland Sanctuary and Nature Reserve.
- Harness community support for and participation in the Sanctuary and Nature Reserve and its programs (including contributions to the Trust, voluntary (or in-kind) support, and sponsorships).
- Monitor the effectiveness of conservation, management and other programs delivered in the Sanctuary.
- Undertake review and assessment of development and management proposals on lands in and adjacent to the Nature Reserve (which may have implications for the conservation of the natural and cultural values of the Nature Reserve and the research programs) and make submissions and representations to relevant agencies.
- Report and/or provide advice to the Minister, Department, and Parks, Conservation and Lands (as the Territory's land owner and public land manager) on progress in delivering the Vision and Objectives of the Sanctuary.
