ROAD PAVEMENT REPAIR WORK ON LONDON CIRCUIT

The ACT Government wishes to advise motorists and other road users that road pavement repairs and minor verge repairs will occur along London Circuit between Friday 20 January 2012 and Wednesday 25 January 2012.

In order to minimise the impact on traffic, the pavement repairs will be undertaken during off peak periods.

The repairs are part of the London Circuit Pavement Rehabilitation project which took place in 2009/10.

The works are being undertaken at the contractor's expense and there will be no additional cost to the Territory.
