FLEMINGTON ROAD BUSWAY OPEN TO ALL TRAFFIC

To improve traffic flow along Flemington Road the dedicated bus lane is now temporarily open to all traffic, Tony Gill, Director of Roads ACT, announced today.

“In consideration of the recent closure on Barton Highway we have been looking at ways to assist the flow of traffic on alternative routes,” said Mr Gill

“To help improve Gungahlin to City traffic during the morning peak on Flemington Road the bus lane is now open to use for all motorists.

“Bus lane signage has been covered to encourage people to utilise the bus lane.”

Mr Gill said the department is monitoring the impacts of the changed traffic conditions on Barton Highway and making adjustments wherever possible such as to traffic light sequencing.
