ROAD TRANSPORT FEES

The Road Transport Authority today announced that Road Transport related fees and charges will increase from 1 July 2008.

Registration and registration related fees will increase by the Wage Price Index of 4.25%.

Heavy vehicle registration fees are set nationally by the National Transport Commission and applied to the ACT through Commonwealth legislation. The revised fees will apply from 1 July 2008. The registration fees for vehicles in the Federal Interstate Registration Scheme are similarly set by Commonwealth legislation and will also be applied from 1 July 2008.

The fees for full driver licences have been aligned with NSW since July 1999. The continuation of this alignment will see a 3.6% increase in the fee for full driver licences. Other driver licence fees will also be increased by 3.6%.
