If Yes, please provide details:

2. Type of activity you intend to undertake:

**SECTION 3: PROVISION OF INFORMATION**

The Authority may request further information relevant to this application and such further information must be received by the Authority before the application can be processed. If further information is required, the Authority will contact you within twenty (20) working days of receiving your application. The Applicant should supply to the Authority at the time of lodging this application any information in the possession of the Applicant relating to environment protection and monitoring measures undertaken or contemplated by the Applicant that will help the Authority to assess the application.

**SECTION 4: EXCLUSION OF MATERIAL FROM PUBLIC INSPECTION**

If you believe some or all of the information you supply to the Authority would reveal a trade secret or adversely affect a person's lawful business activities, you may apply under Section 21 of the Act for the material not to be made available for public inspection.

Describe any extra information that you believe should be excluded from public inspection.

## SECTION 5: DECLARATION

I declare that:

- All the matters pertaining to my application are true and correct, and
- I agree to comply with authorisation conditions.

Signature of the applicant

Date
