## A fun day out for the entire family in celebration of World Wetlands Day!

There is something for everyone with a jumping castle, face painters, parachute games, a patting zoo and the largest ibis bird you'll ever see.

Take a walk through the wetlands and enjoy unique wildlife in their natural habitat. Bring your binoculars to spot a variety of native birds and get some bird watching tips from the experts.

You can also get up close and personal with a corroboree frog, talk to a ranger and learn more about what it means to be a fire fighter in the ACT.

Visit the information stalls, learn about the future plans for the Jerrabomberra Wetlands and enjoy a guided bus tour to rarely seen sections of the wetlands.

Pack a picnic or enjoy the sausage sizzle and ice creams stalls.

**For further information or in case of wet weather  
call 13 22 81 or visit [www.tams.act.gov.au](http://www.tams.act.gov.au)**

The Family Fun Day is an initiative of the Jerrabomberra Wetlands Board of Management. Proudly supported by the ACT Government.
