## **BUS SERVICES BACK TO NORMAL**

Territory and Municipal Services wishes to advise Canberra commuters that ACTION bus drivers are returning to work at 9.30 am this morning, with a return to normal timetables expected by lunchtime.

Disruptions to services occurred this morning due to the Transport Worker's Union (TWU) holding an illegal Stop Work meeting with ACTION drivers.

The Department did not support the action taken this morning and has express disapproval of the TWU's decision.

We apologise for any inconvenience caused by the driver's unplanned disruptions.
